SUBJECT :—

Repairs to the Sri Arkeswaraswamis temple Gopuram at Yedatore.

LAST REFERENCE.

Letter No. 88 dated 13-11-1903

~~form~~ from the Deputy Commissioner, Mysore District.

The Deputy Commissioner, Mysore District reported in February 1900 that slight damage had been done by the Earthquake to the Arkeswaraswami temple Gopuram etc at Yedatore. He was requested, thereupon, to submit an Estimate for works necessary to repair the damage done by the Earthquake. He accordingly submitted an Estimate for Rs 1600/- for repairing it and explained that the cost of Estimate could not be lessened.

as the materials required for the said repairs had to be carried by means of a scaffold to the Gopuram at a height of 70 ft. The Estimate was then returned to him for the Treasury Officer's certificate being engrossed thereon as to the amount of savings at the credit of the temple and he was requested to report whether the devotees interested in the Institution were willing to contribute a moiety of the estimated cost of repairs. The Deputy Commissioner, now, after a delay of nearly 3 years, states that there is no likelihood of realizing any contribution from the devotees for repairing the Gopuram of the above temple, that the amount to the credit of the Institution is Rs 215-10-0 and that the Estimate may be sanctioned from the Surplus funds.

Letters have been addressed to the Deputy Commissioner requesting him to submit his report at an early date. Meanwhile the Executive Engineer may be requested to send an estimate for the repairs required to the Gopuram.

Submitted for orders to the Dewan

28/11/03

The damage done to the Gopuram is characterised as "slight." There is very little money at the credit of the temple and the devotees are not prepared to contribute anything. It may therefore be intimated that Govt are not prepared to sanction such a large amount as Rs 1000 for the repairs in question. 6/12/03

Note continued.

The Deputy Commissioner was requested to furnish the information called for as directed by the Dewan. He has now replied by saying that the Kalasas on the Gopuram, the Kapotras and the Vaijayanti garlands on the figures of the Gopuram have been damaged. He adds that the efforts to collect subscriptions from the devotees proved unsuccessful.

Subd. for orders

The damages reported appear to be really slight and there appears to be no danger as to the stability of the Gopuram. As the residents of the town are not willing to contribute any funds, sanction to the Estimate may be refused.
